£ 10,000

Description

????Golden Nugget ???? 14.3hh Approx Dun Gelding 2012 Fjord
(Allrounder,Dressage,PC/RC,SCHOOLMASTER) Nugget where do I start he is adorable by looks and nature. He is highly trained in the school his flatwork is lovely he is flashy and carries himself well. He does know lateral work and changes. He rides big for his size he is elevated and puts a total smile on your face. (5'10 rider in some photos) We took him out to dressage this week and he was faultless (apart from rider going wrong way ????) he was perfect in boards and in the collecting ring around others. We have also popped him round a small course of fences where he was easy and straightforward maintenance a lovely balanced rhythm. He is a lovely character to be around he is cheeky but not naughty and will definitely become a best friend in minutes!! We've hacked him alone and in company where he has been good and brave. He has a can do attitude, he isn't brain dead has enough about him in all the correct ways! Suitable for a small adult or child would be ideal for dressage and/or all riding club activities!! He is one very very hard to find! I imported him from Holland where he has been dressage trained and part of a family who did abit of everything with him. £12,000ono This price is DECEMBER only he will increase after Christmas with more outings.
